To: IPPC Contact Points

Dear Colleagues,

We would like to inform you that Serbian NPPO added new security features (security hologram) to the Form of Phytosanitary Certificate for export.

Issuance of Phytosanitary Certificate for export on new Form having security hologram will start from December 12th, 2015.

However, we have determined a transition period, till January 31th, 2016. During the transition period, the Phytosanitary Certificate for export issued on old forms (without security hologram) shall also be valid.

Scanned copy of Specimen of the new form of Phytosanitary Certificate for export is attached herewith for your kind information.

We kindly ask you to forward this information to the officers of all points of entry in your country for their information and further necessary action so that there is no inconvenience in the clearance of the consignments.

Thank you for your kind cooperation.

Yours sincerely,

DIRECTOR
PLANT PROTECTION DIRECTORATE

Nebojša Milosavljević
